

Busy Bees Chant

School is fun

We're in grade one

We keep on going until our work is done.

We're the Busy Bees

We like to please

We are good friends and we never tease.

We try our best

We never rest

Our classroom is clean and never messed.

We have a go

We're not too slow

Our classroom rules we always follow.

Glad we're alive

We always strive

to get along and use the high-5.

School is fun

Our work is done

We are friends with everyone!
