

Friendship Tree template

1. Print this template on a sheet of green A4 card.
2. Cut along all dotted lines.
3. Snip along the outer edge of the larger semicircle, snipping at approximately 1 cm intervals from the edge to the line.
4. Fold up the cut sections along the line.
5. Spread glue along one straight edge of the semicircle.
6. Bend the semicircle to make a cone with top cut off., joining edges with the glue. Staple for extra strength.
7. Turn cone upside down. Spread glue over cut and folded edges.
8. Glue onto a strong cardboard base.
9. Fold smaller semicircle to form a cone. Staple.
10. Complete your tree with the small cone topper.
11. Decorate your tree!

✂ Make snips like this all along the edge
