

How to make a paper plate cat face

For this project you need:

1 paper plate for the face

2 small paper triangles for ears

2 small pompoms for eyes (or use googly eyes)

1 very small triangle of felt for the nose (or a different pompom)

1 mouth (e.g. cornstarch packaging or paper crescent)

6 matchsticks for whiskers (or pipe cleaners or strips of paper)

glue

1. Glue on the two paper triangles for ears.

2. Glue on the two pompoms for eyes.

3. Glue on the felt triangle nose.

4. Glue on the mouth.

5. Glue on the matchstick whiskers.

6. Give your cat a name!
