How to use this diary:

Sit somewhere quietly where you can observe some small creatures or mini-beasts in their own habitat.

As you observe each creature, ask yourself these questions:

- 🕸 **Where** is it?
- 🕸 **What** does it look like?
- 🕸 **What** is it doing?
- 🕸 **How** does it move?
- 🕸 **What** does it eat?
- 🕸 **Is** it on its own or with others?

Use your diary, to **record** your observations.

- 🕸 Include the **date** and **time** at the top of each page.
- 🕸 Illustrate the creature with a **drawing** or **photograph**.
Label your diagram.
