

Actions for improving our climate

- Walk, ride, skate or use public transport when possible; for example, to school, to the shops, to the beach
- Turn off lights and appliances when not in use
- Buy locally sourced and produced food and items
- Dry clothes on the line rather than in a dryer
- Take short showers
- Eat less meat
- Compost vegetable scraps
- Use refillable drink bottles and cups
- Use your own reusable bag to carry shopping
- Reduce, reuse, recycle
- Dispose of all waste appropriately
- Have conversations with friends and family so you can support each other in gaining a good understanding of the challenges and solutions
- Be a climate conscious citizen and think about prioritising climate action when you choose your vote
