

# Make your own paper plate clock face

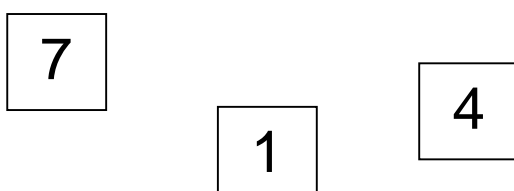

## Things you need:

- a paper plate
- a split pin
- glue
- numbers 1 – 12
- scissors
- cardboard clock hands

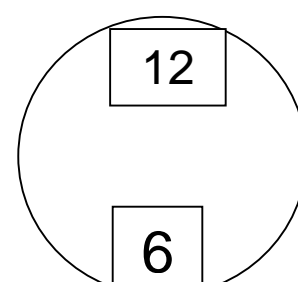

## What you do:

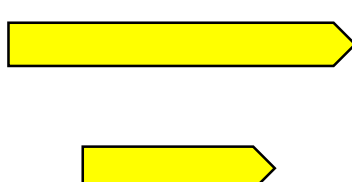

1. Cut out the numbers.

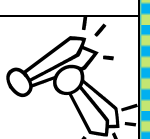

2. Glue the numbers onto the plate.

3. Cut out the hands.

4. Use the split pin to join the hands to the plate.

5. Use your clock to show the time.
